Publications List - Researcher: NELSON BALOIAN

Instructions

The responsible researcher for each institution should fill this form. If there are other co-researchers in the project, you may choose to ask them also to fill this form. Students should not fill this form.

Part I

Please list all your publications appearing in ISI-indexed journals. The publications should have appeared in 2002-2008 or currently be accepted for publication. Be ready to provide evidence of acceptance letter in the latter case. Please do not list publications prior to 2002, under preparation, being submitted, under review or for un-indexed journals. Please do not list articles which are letters to the editor, abstracts, special issue forewords and similar short contributions. Provide complete reference (authors, title, journal name, volume, issue, year, page numbers). ISI-indexed journals can be easily checked in the “ISI Master Journals List” at the following web site: http://www.isinet.com.

Authors: _N. Baloian, J.A. Pino
Paper Title: Learning about earthquakes: getting serious about authenticity in computer-supported learning
Journal name: __________ Interactive Learning Environments _________________
Volume: ___on press____ Issue: ______________ Year: ________ Pages:

Authors: _N. Baloian, G. Zurita
Paper Title: MC-Supporter: Flexible Mobile Computing Supporting Learning though Social Interactions
Journal name: _ Journal of Universal Computing Science
Volume: ____15_ Issue: __9_____ Year: _2009__ Pages: _2833-2851___

Authors: _ O. Motelet, N. Baloian, J. A. Pino ___
Paper Title: _ Taking Advantage of Metadata Semantics: the Case of Learning-Object-based Lesson Graphs ___
Journal name: _ Knowledge and Information Systems Journal ___
Volume: ___20___ Issue: _____3_____ Year: __2009__ Pages: ___321-348____

Authors: ___ N. Baloian, W. Luther ________________________________
Paper Title: Cooperative visualization of cryptographic protocols using concept keyboards
Journal name: __ International Journal of Engineering Education ______
Volume: ___25_ Issue: ___4_______ Year: __2009__ Pages: ___745-754___
Authors: N. Baloian, H. Breuer, W. Luther
Paper Title: Concept keyboards in the animation of standard algorithms
Journal name: Journal of Visual Languages and Computing
Volume: 19 Issue: 6 Year: 2008 Pages: 652-674

Authors: G. Zurita, N. Baloian, F. Baytelman
Paper Title: A Collaborative face-to-Face Design SupportSystem based on Sketching and Gesturing
Journal name: Advanced Engineering Informatics
Volume: 22 Issue: 3 Year: 2008 Pages: 340-349

Authors: N. Baloian, J. A. Pino, H. U. Hoppe
Paper Title: Dealing with the Students' Attention Problem in Computer Supported Face-to-Face Lecturing
Journal name: Educational Technology & Society
Volume: 11 Issue: 2 Year: 2008 Pages: 192-205

Authors: G. Zurita, P. Antunes, N. Baloian, L. Carriço, F. Baytelman, M. de Sá
Paper Title: Using PDAs in Meetings: Patterns, Architecture and Components
Journal name: Journal of Universal Computer Science
Volume: 14 Issue: 1 Year: 2008 Pages: 123-147

Authors: G. Zurita, P. Antunes, N. Baloian, F. Baytelman
Paper Title: Mobile SenseMaking: exploring Proximity and Mobile Applications in the Classroom
Journal name: Journal of Universal Computer Science
Volume: 13 Issue: 10 Year: 2007 Pages: 1434-1448

Authors: G. Zurita, P. Antunes, L. Carriço, F. Baytelman, M. de Sá
Paper Title: Analyzing the Roles of PDA in Meeting Scenarios
Journal name: Lecture Notes in Computer Science
Volume: 4154 Year: 2006 Pages: 364-380

Authors: J. Sanchez, N. Baloian
Paper Title: Issues in implementing awareness in collaborative software for blind people
Journal name: Lecture Notes in Computer Science
Volume: 4061 Year: 2006 Pages: 1318-1325

Authors: J. Sanchez, N. Baloian
Paper Title: Modeling 3D interactive environments for learners with visual disabilities
Journal name: Lecture Notes in Computer Science
Authors: G. Zurita, N. Baloian
Paper Title: Handheld-Based Electronic Meeting Support
Journal name: Lecture Notes in Computer Science 3706
Volume: ______ Issue: ____________ Year: __2005__ Pages: _341 – 350_

Authors: O. Motelet, N. Baloian
Paper Title: Taking Advantage of LOM Semantics for Supporting Lesson Authoring
Journal name: Lecture Notes in Computer Science 3762
Volume: ______ Issue: ____________ Year: __2005__ Pages: ___1159-1168___

Authors: N. Baloian, P. Galdamez, C. Collazos, L. Guerrero
Paper Title: A model for a Collaborative Recommender System for Multimedia Learning Material
Journal name: Lecture Notes in Computer Science 3198
Volume: ______ Issue: ____________ Year: __2004__ Pages: __281-288. __

Authors: J. Sanchez; N. Baloian; T. Hassler
Paper Title: Blind to Sighted Children Interaction through Collaborative Environments
Journal name: Lecture Notes in Computer Science 3198
Volume: ______ Issue: ____________ Year: __2004__ Pages: ___192-205__

Authors: N. Baloian, J.A. Pino, O. Motelet
Paper Title: Collaborative Authoring, Use and Re-use of Learning material in a Computer-integrated Classroom
Journal name: Lecture Notes in Computer Science 2806
Volume: ______ Issue: ____________ Year: __2003__ Pages: ___199-207___

Authors: S. Ochoa, J.A. Pino, N. Baloian, D. Fuller
Paper Title: ICESEE: A Tool for Developing Engineering Courseware
Journal name: Computer Applications in Engineering Education
Volume: _11__ Issue: _2__ Year: __2003__ Pages: __53-66__

Authors: N. Baloian, S. Buschmann, A. Berges, K. Gassner, J. Hardings, H. Hoppe, W. Luther
Paper Title: Document Management in a Computer Integrated Classroom
Journal name: Lecture Notes in Computer Science 2440
Volume: ______ Issue: ____________ Year: __2004__ Pages: ___35-46__

Authors: N. Baloian & W. Luther
Paper Title: Visualization for the Mind’s Eye
Journal name: Lecture Notes In Computer Science 2269
Volume: ______ Issue: ____________ Year: __2002__ Pages: __354-367__
Part II

Please list up to six other publications (books, book chapters, conference papers, papers in un-indexed journals, papers in indexed journals published before 2002), which may be relevant to the evaluation of the project. Please do not exceed the limit of 6 publications.

Authors: __ H. Breuer, G. Zurita, N. Baloian, M. Matsumoto _______
Title: ___ Mobile Learning with Patterns ____________

Authors: __ G. Zurita, N. Baloian, Felipe Baytelman, Antornio Farias, Pedro Antunes
Title: ____ A Framework like a tool for specifying motivating collaborative learning participatory simulations

Authors: __ N. Baloian, G. Zurita, P. Antunez, F: Baytelman ____
Title: ___ A Flexible, Lightweight Middleware Supporting the Development of Distributed Applications across Platforms

Authors: __ H. Breuer, C. Sousa, N. Baloian, M. Matsumoto ___
Title: __ A Lightweight Open Space for the Classroom-Collaborative Learning with Whiteboards and Pen-Tablets ______

Authors: __ O. Motelet, N. Baloian _____________
Title: ______ Hybrid System for Generating Learning Object Metadata ________

Publications List - Researcher: Gustavo Zurita

Instructions

Please list all your publications appearing in ISI-indexed journals. The publications should have appeared in 2002-2008 or currently be accepted for publication. Be ready to provide evidence of acceptance letter in the latter case. Please do not list publications prior to 2002, under preparation, being submitted, under review or for un-indexed journals. Please do not list articles which are letters to the editor, abstracts, special issue forewords and similar short contributions. Provide complete reference (authors, title, journal name, volume, issue, year, page numbers). ISI-indexed journals can be easily checked in the “ISI Master Journals List” at the following web site:

Authors: Vanessa Tavares Nunes, Flávia Maria Santoro, Marcos R.S. Borges
Paper Title: A Context-based Model for Knowledge Management embodied in Work Processes
Journal name: Information Sciences
Volume: 179 Issue: _____________ Year: 2009 Pages: 2538-2554

Authors: Claudia Cristina Paranhos Cruz, Claudia Lage Rebello da Motta, Flavia Maria Santoro, Marcos da Fonseca Elia
Paper Title: Applying Reputation Mechanisms in Communities of Practice: A Case Study
Journal name: Journal of Universal Computer Science
Volume: 15 Issue: _____________ Year: 2009 Pages: 1886-1906

Authors: Flávia Maria Santoro, Marcos R.S. Borges, José A. Pino
Paper Title: Acquiring knowledge on business processes from stakeholders stories
Journal name: Advanced Engineering Informatics
Volume: ______ Issue: _____________ Year: 2009 Pages: ______________

Authors: Andrea Magalhães, Claudia Cappelli, Fernanda Baião, Flávia Maria Santoro, Renata Mendes de Araujo
Paper Title: Collaboration Maturity in Business Processes: An Exploratory Study in Oil Production Processes.
Journal name: Information Systems Management
Volume: 25 Issue: _____________ Year: 2008 Pages: 302-322

Authors: Flávia Maria Santoro, Marcos R.S. Borges, Erick Alves Rezende
Paper Title: Collaboration and knowledge sharing in network organizations
Journal name: Expert Systems with Applications
Volume: 31   Issue: _____________  Year: 2006  Pages: 715-727

Authors: Flávia Maria Santoro, Patrick Brezillon
Paper Title: The Role of Shared Context in Group Storytelling
Journal name: Computing and Informatics
Volume: 25   Issue: _____________  Year: 2006  Pages: 1001-1026
Part II

Please list up to six other publications (books, book chapters, conference papers, papers in un-indexed journals, papers in indexed journals published before 2002), which may be relevant to the evaluation of the project. Please provide complete reference. Please do not exceed the limit of 6 publications.

Authors: Flávia Maria Santoro, Patrick Brezillon
Title: Developing Shared Context within Group Stories

Authors: Flavia Ernesto Silva, Claudia Lage Rebello da Motta, Flávia Maria Santoro, Carlo Emanoel Tola
Title: Social Matching Approach to Support Team Configuration

Authors: Flávia Maria Santoro Neide dos Santos
Title: Computer-Supported Collaborative Learning in Organizations: Improving the Process through Context

Authors: Vanessa Tavares Nunes, Flávia Maria Santoro, Marcos R.S. Borges
Title: Capturing Context about Group Design Process

Authors: Andrea Magalhães, Claudia Cappelli, Fernanda Baião, Flávia Maria Santoro, Renata Mendes de Araujo
Title: A Practical Experience in Designing Business Processes to Improve Collaboration

Authors: Márcio G.P. Rosa, Flávia Maria Santoro, Marcos R.S. Borges
Title: Influence of Context on Group Work Collaboration Level
Publications List - Researcher: Renata Mendes de Araujo

http://www.isinet.com

Authors: Magalhaes Magdaleno, Andrea; CAPPELLI, Claudia; Araujo Baiao, Fernanda; Maria Santoro, Flavia; Araujo, Renata
Paper Title: Towards Collaboration Maturity in Business Processes: An Exploratory Study in Oil Production Processes
Journal name: Information Systems Management

Authors: MEIRE, A. P.; BORGES, Marcos Roberto da Silva; ARAUJO, R. M
Paper Title: Supporting multiple viewpoints in collaborative graphical editing.
Journal name: Multimedia Tools and Applications
Volume: 32 Issue: - Year: 2007 Pages: 185-298

Authors: ARAUJO, R. M.; BORGES, Marcos Roberto da Silva; PINO, J.
Paper Title: Common Context for Decisions and their Implementations
Journal name: Group Decision and Negotiation,
Volume: 15 Issue: 3 Year: 2006 Pages: 221-242

Add additional pages, if needed.
Part II

Please list up to six other publications (books, book chapters, conference papers, papers in un-indexed journals, papers in indexed journals published before 2002), which may be relevant to the evaluation of the project. Please provide complete reference. Please do not exceed the limit of 6 publications.

Authors: ARAUJO, R. M. ; BORGES, Marcos Roberto da Silva
Title: The role of collaborative support to promote participation and commitment in software development teams

Authors: ARAUJO, R. M. ; BREZILLON, P. .
Title: Reinforcing Shared Context to Improve Collaboration

Authors: ARAUJO, R. M. ; BORGES, Marcos Roberto da Silva ; PINO, J.
Title: Bridging the Gap between Decisions and their Implementations

Authors: ARAUJO, R. M. ; SANTORO, Flavia Maria ; BORGES, Marcos Roberto da Silva .
Title: A conceptual framework for designing and conducting groupware evaluations

Authors: ARAUJO, R. M. ; BORGES, Marcos Roberto da Silva
Title: Extending the Software PRocess Culture - An approach based on groupware and workflow

Authors: OLIVEIRA, A. C. ; ARAUJO, R. M. ; BORGES, Marcos Roberto da Silva
Title: Telling Stories about System Use: Capturing Collective Tacit Knowledge for System Maintenance
Publications List - Researcher: Sean Wolfgand Matsui Siqueira

Authors: BRAZ, M.H.L.B.; SIQUEIRA, S. W. M.; Rodrigues, D.S.S.; MELO, R.N.
Paper Title: A Semi-Automatic Strategy for Achieving Learning Content and Practice Repurposing
Journal name: Computers in Human Behaviour
Volume: 26   Issue: March Year: 2010   Pages:

Part II

Please list up to six other publications (books, book chapters, conference papers, papers in un-indexed journals, papers in indexed journals published before 2002), which may be relevant to the evaluation of the project. Please provide complete reference. Please do not exceed the limit of 6 publications.

Authors: SIQUEIRA, S.W.M. ; BRAZ, M.H.L.B. ; MELO, R.N.
Title: Modeling e-Learning Content

Authors: MOURA, S.L. ; COUTINHO, F. ; SIQUEIRA, S.W.M. ; MELO, R.N.
Title: Integrating Repositories of Learning Objects Using Web-Services and Ontologies
Authors: OLIVEIRA, E. W., SIQUEIRA, S. W. M., BRAZ, M.H.L.B., MELO, R.N.
Title: Sharing Heterogeneous Instructional Segments

Authors: GHELMAN, Raphael; SIQUEIRA, S.W.M.; MELO, R.N.
Title: Providing Accessibility to Distributed and Heterogeneous Learning Objects

Authors: OLIVEIRA, E. W., SIQUEIRA, S. W. M., BRAZ, M.H.L.B., CASANOVA, M.A., MELO, R.N.
Title: Dealing with Heterogeneous Segments of Learning Objects

Authors: Rodrigues, D.S.S., SIQUEIRA, S. W. M., BRAZ, M.H.L.B., MELO, R.N.
Title: A Strategy for Achieving Learning Content Repurposing
